

## Pull-Out tests using JT3 D6 H from 12mm STS Board

Product Code: JT3 D6 H  
 Batch Reference: Samples  
 Product Description: 12mm STS Board  
 Batch End Date and Time: 15/11/2019 11:24  
 Operator: JU  
 Temperature: 18  
 Relative Humidity: 41

Notes:

| Specimen Number | Yield N | Yield mm | Max Force N | Elongation at Max Force mm |
|-----------------|---------|----------|-------------|----------------------------|
| 1.00            | 1160    | 1.38     | 1220        | 1.66                       |
| 2.00            | 1250    | 1.29     | 1250        | 1.28                       |
| 3.00            | 1200    | 1.19     | 1200        | 1.19                       |
| 4.00            | 1050    | 1.24     | 1230        | 1.62                       |
| 5.00            | 1130    | 1.22     | 1260        | 1.50                       |
| 6.00            | 1310    | 1.25     | 1330        | 1.42                       |
| 7.00            | 1170    | 1.20     | 1170        | 1.19                       |
| 8.00            | 1120    | 1.48     | 1120        | 1.48                       |
| 9.00            | 1300    | 1.38     | 1300        | 1.37                       |
| 10.00           | 1180    | 1.49     | 1180        | 1.66                       |
| Average         | 1190    | 1.31     | 1230        | 1.44                       |
| SD              | 79.7    | 0.113    | 62.5        | 0.180                      |
| Maximum         | 1310    | 1.49     | 1330        | 1.66                       |
| Minimum         | 1050    | 1.19     | 1120        | 1.19                       |
| Range           | 257     | 0.302    | 212         | 0.472                      |
| Median          | 1170    | 1.27     | 1230        | 1.45                       |

N.B. The results above are obtained from tests carried out in accordance with equipment conforming to BS 5427 on a random sample of fasteners. Information supplied should form part of a general guide only.
